## THE THEATERS

New talent will be presented at the Bijou and Savoy theaters tonight, and all the programs will be changed throughout.

Barnes and Robinson, just from the Canadian Circuit, will appear as headliners at the Savoy. They present a novel piano, conversational and song act. Barnes is one of the old school of entertainers in vaudeville and has an act which entertains. Associated on the program is the Ragtime Trio, in new songs, and Christian, the Danish fiddler.

At the Bijou The Boardman Sisters, a clever team of singers and dancers, who do a boy and girl act, are said to be a very clever entertaining duo. They come from one of the best elements of the mainland. On the program will be the Wirth Family, in a new series of acrobatic feats, although the best of their former acts will be repeated, by request especially the backward somersault of the youngest member of the team, a stunt by which she has gained the title of "The Human Pinwheel." Ryan and Ryan, the clever team of clog and back and wing dancers, has arranged a new series of steps.

At the Park the Tyrrells, the team of juvenile whirlwind dancers, will have a new set of songs and dances. As whirlwind dancers they are headliners. Harney and Haynes, with plantations songs and dancing of the old buck and wing kind, will also be seen and heard in a new act.

The motion pictures will all be new. John H. Magoon, general manager of the Honolulu Amusement Company, is devoting himself particularly to selecting good films and only those which are personally passed by him are permitted to be shown. The management is making every effort to show only such films as are educational, and full of human interest.

#### ON THIS ISLAND.

If you spend your holidays at Haleiwa you are near enough to town to run in and buy what may be needed in case of emergency. The bathing there is superior to any on the islands, for the beach is entirely free from coral. The fishing is good and boating is a pleasure beyond anything in the harbor here. The manager of Haleiwa hotel has in mind always the comfort and pleasure of his guests, and frequent dances, country rides and tennis and golf matches are the result. Haleiwa offers inducements not found elsewhere on the island and the house is well patronized all year round in consequence.

#### AN OPEN SECRET.

Many ask the reason for the continued and increasing demand for Chamberlain's Colic, Cholera and Diarrhoea Remedy. The secret is that it never fails to give relief. The middle-aged men of today remember it as the remedy given them by their mothers for cramp colic dysentery when they were children, and its reputation as a positive cure for such ailments is still maintained. No remedy has ever been produced that is its equal for the prompt relief of pain. For sale by all dealers. Benson, Smith & Co., agents for Hawaii.
